GREETINGS TO ALL "Baisakhi Open" Participants

It is a pleasure to offer my best wishes to the Participants, Volunteers and the Organizing Committee of the 2016 "Baisakhi Open" World Cup Golf Tournament to be held April 22-24 at Las Vegas, USA. Once again we are seeing the spirit and dedication of Punjabi diaspora around the globe in bringing together people of all backgrounds through the game of Golf and helping local community's needs by sharing their success and fortune. I am very delighted to know that golfers from around the World will participate and make this event a memorable one.

My best wishes to the IPGA America for Organizing the 2016 "Baisakhi Open" WCG event and for continued success of this annual event and promoting younger generation of budding golfers for being the future stars on World Platform .

Sincerely

Bishan Singh Bedi
