

Baisakhi Open WCG Organizers and Participants:

It is my pleasure on behalf of the board and membership of British Columbia Golf to offer you best wishes for a successful 2016 Baisakhi Open World Cup Golf Tournament in Las Vegas. The organizing committee and the chapters of the International Punjabi Golf Associations are showcasing how the sport of golf can be properly used to promote camaraderie and support charity.

British Columbia Golf Director, Jolly Dhaliwal, along with Executive Director, Kris Jonasson, are excited to be participating in the event and look forward to meeting Punjabi Golf Association members from around the world. It is gratifying that you, as organizers, have grown participation to the point where you now have golfers attending the Baisakhi Open World Cup from different regions of the World.

Congratulations again and we wish all competitors a great experience.

Yours Truly,

David Atkinson, President
British Columbia Golf
